A WORD FROM OUR LOYAL CUSTOMERS

I choose my stays very carefully after reading a lot of reviews and research and I chose to stay at Manan's apartment with my family during my recent visit to Goa and I would say I chose the best place indeed. The apartment located at a beautiful, green, peaceful residential area very close to the famous night markets, within 5 minutes drive to the beach and surrounded by all required facilities like grocery stores, care/bike rentals etc

Though I'm very regular to Goa and I wouldn't have needed any help from the host if I was not stuck during the Covid19 lockdown period, but I'm extremely grateful for all the help and support extended by Manan and his staff for everything that I needed.

Joy Jeet, New Delhi

It was a wonderful stay in la Quinta arpora apartments. Nearby to all the beaches. flexible check-in check-outs . Manan was so helpful he provided all the places nearby regarding best beaches ,places to have lunch dinner ,parties etc.... Regarding flat : we got such a clean flat fully furnished (very comfortable for 4 people) it was far better than we expected . (Manan and his team were reachable anytime for help). I had bday even they planned surprise bday cake for me which was such a sweet gesture. I definitely suggest my other friends and family to stay here. Best place to stay in Goa. Thankyou for such a wonderful and fun stay which made our trip so comfortable. This place is best for bachelor's and families as well.

Sonali, Bangalore

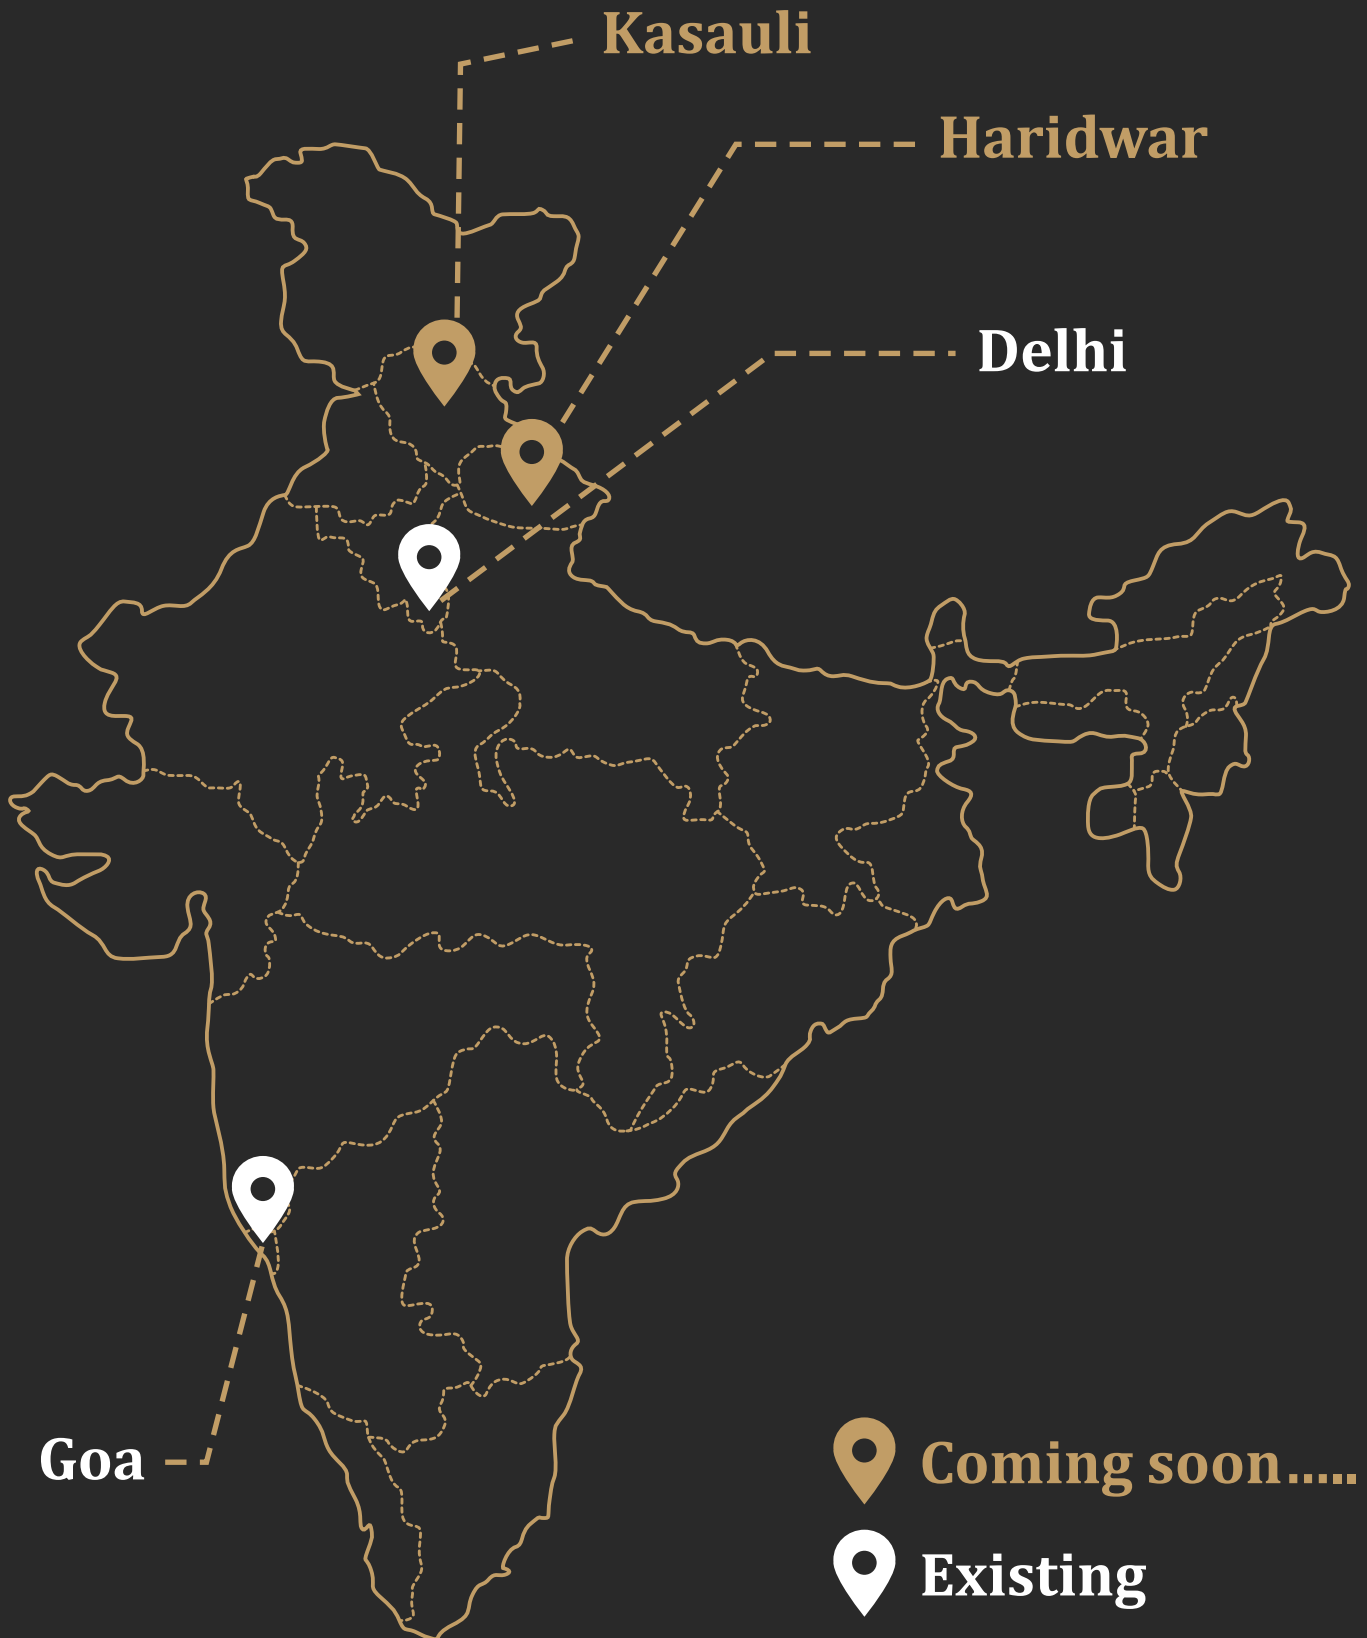

The place was exactly the same as shown. Comfortable, spacious and classy. Manan's suggestions, his hospitality and his communication surely makes him a Super Host. The location is also such that you can find anything and everything very easily. Especially, I loved the fact, the way they sanitize the place, which is quite a feel good factor, in these tough times. I would love to visit this place again. 5/5 to the place
